FEDERALS MUST WITHDRAW ALL THEIR LAW SUITS

Few Details in Peace Agreement Still Unsettled.

Chicago, Jan. 26.—A few details of the peace agreement between the Fed-eral League and organized baseball are still unsettled, it was learned here today and will not be settled until several suits pending against the na-tional commission and some of the clubs in organized baseball are with-drawn, according to Provident Johnson Chicago, Jan. 26 .- A few details of drawn, acording to President Johnson of the American League. The details include taking over by the American and National Leagues together of the Federal League parks in Brooklyn and

Newark.
President Johnson today after a telephone conversation with Judge Willephone conversation with Judge Williams, the league's legal representative at St. Louis, decided that his organization would not go through with the concluding acts of the peace agreement until the Federals withdraw all their shits. He said he knew of no reason why the suits had not been withdrawn, especially as he understood the cases instituted by the national agreement clubs had been abandoned. The Marsans suit, he said, would not be prosecuted further and the Indianapolis club's suit, which sought to prevent Pitcher Burks playing with the Federals, he understood had been called off.

The stockholders in the Baltimore Federal League club, according to President Johnson, are believed by organized ball leaders to be holding back the withdrawal of the suits. They still hope to force the sale of their park on the International League, it is understood, or to be included it is understood, or to be included among the owners of the new Balti-more club. Some of them wish to see a major league club put in Baltimore

The game replete with unnecessary roughness by the victors. It is also claimed by the Norwich boys that Keur who wa ssent into substitute for Bauck, played a very rough game, and once got the strangle hold on Stanley that nearly caved him in.

Owing to the slipperiness of the floor at the start the Y. M. C. A. boys were handicapped but when once they adapted themselves to their surroundings they showed speed and at times held their heavier opponents spell-bound. At the end of the first period they led the 27 to 20 score

Stanley and Jones were the individual performers of the games, each scoring 13 goals from the field.

The Norwich quintette also claims that the referee used poor judgment in calling fouls and say that they received a raw deal all the way through.
